

BB1

The BRITEX Stainless Steel Baby Bath is a durable, hygienic and easy-to-maintain fixture. Designed for versatility across commercial and institutional environments, it comes standard with a 50mm waste outlet and can be inset into a benchtop or fully integrated to suit project requirements.

Features and Benefits

- **Sits Flush with Benchtop** – Creates a sleek, streamlined finish while allowing spills and debris to be wiped directly into the sink for easier cleaning.
- **Seamless, Hygienic Design** – Eliminates joins and crevices where dirt and bacteria can collect.
- **1.2mm Grade 304 Stainless Steel** – Provides superior durability, corrosion resistance, and a premium satin finish that stands up to daily commercial use.
- **Custom Sizes Available** – Ensures a perfect fit for unique benchtop dimensions and specialised project requirements, maximising functionality and aesthetics.
