BSC

The BRITEX Stainless Steel Shower Columns deliver a refined blend of durability and performance. Crafted from grade 316 stainless steel, they are engineered to withstand the harshest environments while maintaining a sleek, contemporary appearance.

Features and Benefits

- **Marine Grade 316 Stainless Steel –**
Superior corrosion resistance, ideal for coastal and high-use outdoor environments.
- **Pre-Plumbed for Easy Installation –**
Reduces installation time and simplifies project delivery.
- **Vandal-Resistant Timed Flow Tapware –**
Promotes water conservation while enhancing durability in public spaces.
- **Choice of Round or Square Columns –**
Provides design flexibility to suit a range of architectural and landscape settings.
