

BT-MB

BenchTech Mobile Island Benches are supplied with four castors and a solid stainless steel undershelf, they offer a practical and versatile solution for commercial kitchens. Modular and cost-effective, they can be used as standalone units or integrated with custom Britex benches and shelving, making them ideal for kitchens and restaurants.

Features and Benefits

- **Mobile Workstation Design** – Supplied with lockable castors for easy mobility and secure positioning when in use.
- **Stainless Steel Undershelf Storage** – Provides convenient storage space for equipment, supplies and ingredients.
- **Heavy-Duty Commercial Construction** – Built from 1.2mm stainless steel with a reinforced substrate for long-lasting performance in demanding environments
- **Modular System Flexibility** – Can be used as a standalone bench or integrated with other BenchTech and custom Britex solutions for complete kitchen fit-outs.
