

**BTR-01-014**

The BRITEX Stainless Steel Left-Hand 90° Flush Mount Side Wall & Cistern Grab Rail Set is designed to provide safe, reliable support in accessible washrooms. Featuring a vandal-resistant design, concealed fixings and a satin stainless steel finish, this AS1428-compliant grab rail set is ideal for public amenities and commercial washrooms.

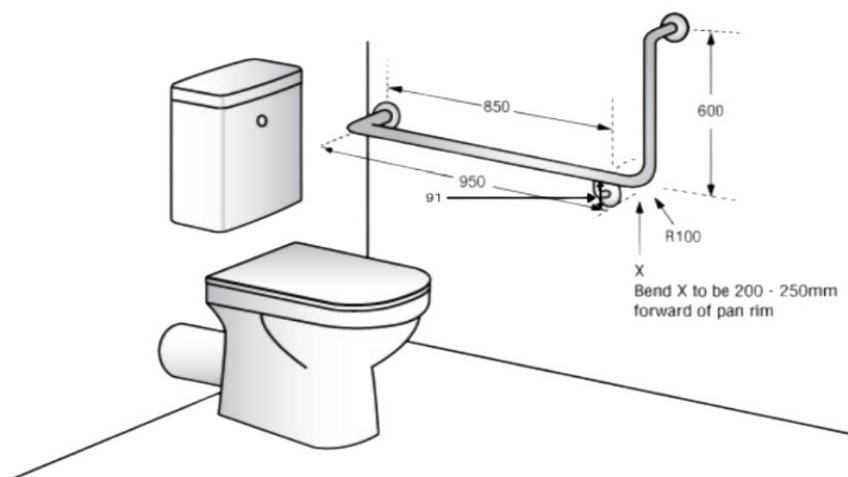

## Features and Benefits

- **AS1428 Compliant Design** – Supports accessibility requirements when installed in accordance with AS1428.1 guidelines.
- **Left-Hand Side Configuration** – Purpose-designed for left-hand accessible toilet layouts and user requirements.
- **Vandal-Resistant Construction** – Durable design helps withstand heavy use in public and commercial environments.
- **Concealed Fixings & 90° Rail Configuration** – Provides secure support with a clean, professional appearance and enhanced user safety.
