

BTX-10-032

The BRITEX Security Collapsible Coat Hook delivers a tough, anti-ligature, tamper-resistant solution built from #304 stainless steel with concealed fixings for safe, durable performance.

Features and Benefits

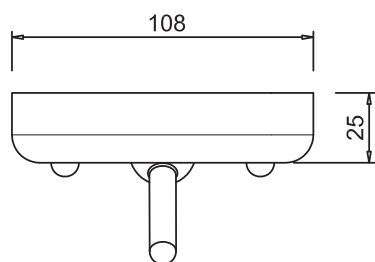

- **304 Grade Stainless Steel:** Provides a hygienic, non-porous surface that supports compliance in healthcare, education, and public-facility settings.
- **Satin Stainless Steel Finish:** Reduces the visibility of fingerprints and minor scratches, keeping the product looking clean with minimal maintenance.
- **Concealed Screw Fixing:** Improves security by hiding all mounting points, preventing tampering or unauthorised removal, ideal for public or high-risk environments.
- **1/4-inch All-Thread Fixings:** Simplifies installation while delivering a secure, long-lasting attachment.
