

CJU

The BRITEX Stainless Steel Janitorial Unit is a compact, multi-purpose fixture for cleaner's rooms. It combines a generous sized hand wash basin and bucket sink with hinged grates in one seamless, fully welded construction. A front-mounted swivel tap enables both hand washing and bucket filling. Supplied with adjustable legs, mounting bracket, and waste outlet.

Features and Benefits

- **Multipurpose Design** – Integrates a 7L hand wash basin and 26L bucket sink in one compact unit.
- **Grade 304 Stainless Steel** – Made from heavy-duty stainless steel with fully welded construction for strength and durability.
- **Front Service Panel** – Secure hatch for easy access to installation and maintenance of plumbing connections.
- **Hinged Bucket Grates** - Includes two hinged bucket grates for easy handling and drainage.
