

CS-SEC

The BRITEK Security Cleaner's Sink features a large 46-litre stainless steel tub and a hinged bucket grate for support and storage. Seamless side panels are stitch-welded to the basin, with the front panel, hinge, and grate all securely fixed to the unit with security screws.

Features and Benefits

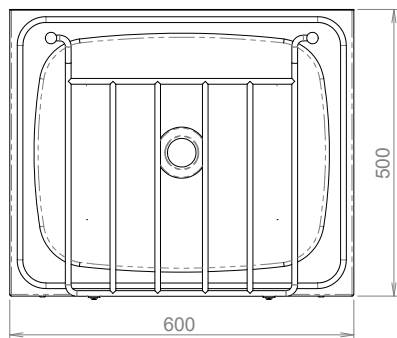

- **Grade 304 Stainless Steel** – Manufactured from heavy-duty stainless steel for durability.
- **Tamper-Resistant Fastening** – All components secured with security screws to prevent tampering.
- **Security Shroud Design** – Seamless side panels and reinforced front panel enhance structural integrity and restrict access.
- **50mm Waste Outlet** – Allows efficient drainage and seamless connection to standard plumbing systems.

Sample Spec

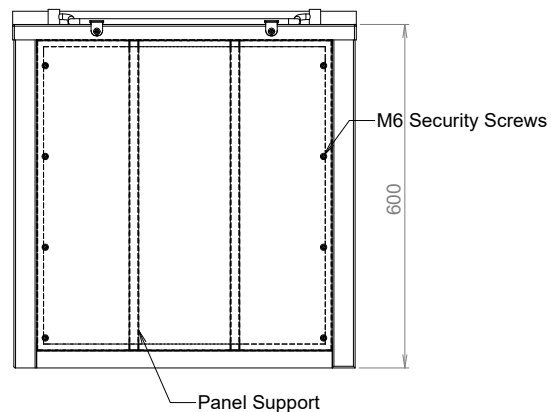

BRITEK Security Cleaner's Sink - 600x500x600mm Deep. 46L Bowl Capacity. Supplied with stainless steel bucket grate, security shroud and 50mm waste outlet. Unit to be secured with security screws - Product Code CS-SEC
