

CSH

The BRITEX Centurion Stainless Steel Slophopper is a floor-mounted fixture designed for hygienic waste disposal in medical and aged care facilities. Its water-efficient design accommodates both rear and top water entry and includes a hinged bucket grate for easy access and cleaning.

Features and Benefits

- **Blockage Resistant Trap** – Designed to maintain flow and reduce clogging. Available in P or S trap configurations.
- **WaterMark & WELS Certified** – Fully compliant with plumbing regulations and designed for water efficiency.
- **Grade 304 Stainless Steel** – Manufactured from 1.5mm heavy-duty stainless steel for durability.
- **One-Piece Pressed Bowl** – Unique design provides water-efficient flushing (4.5/3L).
