

DDR1-S

The BRITEK Dado Drinking Fountain is a sleek, durable fixture made from commercial grade 304 stainless steel. Available in accessible or compact configurations, both models feature a timed flow Drink Safe® bubbler, splashback panel, waste outlet, and mounting bracket.

Features and Benefits

- **Front Piezo Activated Low Lead Drink Safe® Bubbler** – Timed 7-second flow with a rubber mouthpiece for safety and hygiene
- **Designed For Public Use** - Suitable for schools, airports, shopping centres and public spaces
- **Refrigerated Model Available** – Supplied with a separate remote chiller for installation within the wall cavity
- **Bottom Access Panel** - Provides discreet access to internal plumbing
