

DDR2-HFBF-F

The BRITEK In Wall Double Drinking Fountain is a recessed, space-efficient unit combining a hands-free, lead-safe bottle filler with dual drinking stations. Made from commercial-grade 304 stainless steel, a hygiene flush cycle, and optional remote refrigeration for chilled water.

Features and Benefits

- **AS1428 Compliant** - Designed to meet Australian accessibility standards.
- **Front Piezo Activated Low Lead Drink Safe® Bubbler** - Timed 7-second flow with a rubber mouthpiece for safety and hygiene.
- **Bottom Access Panel** - Provides discreet access to internal plumbing.
- **Optimised For Public Use** - Suitable for schools, hospitals, sporting facilities shopping centres and public spaces with minimal intrusion
