

DDR2

The BRITEX Dado Double Round Drinking Fountain combines sleek design with dual functionality, offering both standard and accessible drinking stations. Manufactured from commercial-grade 304 satin stainless steel, it features timed-flow Drink Safe® low lead bubblers, integrated splashback panels, 40mm waste outlets, and a secure mounting bracket.

Features and Benefits

- **WaterMark Certified** - Meets Australian plumbing standards for quality and compliance
- **Drink Safe® Bubblers** - Front push piezo-activated bubblers with a 7-second timed flow and rubber mouthpiece for hygiene and safety
- **Bottom Access Panel** - Provides discreet access to internal plumbing for easy maintenance
- **Refrigerated Model Available** - Supplied with a separate remote chiller for installation within the wall cavity
