

DSR-2

Non-Refrigerated Version

DSRR-2-PB

Refrigerated Version with Optional Pet Bowl

The BRITEX Accessible Twin Round Drinking Fountain is designed for durability and functionality. This freestanding unit features dual bubblers, piezo-activated for accessibility and a heavy-duty Drink Safe® option crafted from commercial-grade stainless steel.

Features and Benefits

- **Round Profile Design** - Minimises sharp edges for enhanced user safety, especially in high-traffic areas.
- **Robust Construction** - Built to withstand heavy use in public and commercial environments.
- **Rubber Bubbler Mouthpiece** - Provides a softer, safer drinking experience and reduces injury risk.
- **Completely Freestanding** - Easy to install without wall support, ideal for open spaces.
- **Optional Bottle Filler Tap** - Adds convenience for refilling bottles, reducing single use plastic waste.
