

DVR

Introducing the BRITEX Stainless Steel Vandal Resistant Drinking Fountain a robust, Watermark Certified fixture built for demanding public environments.

Features and Benefits

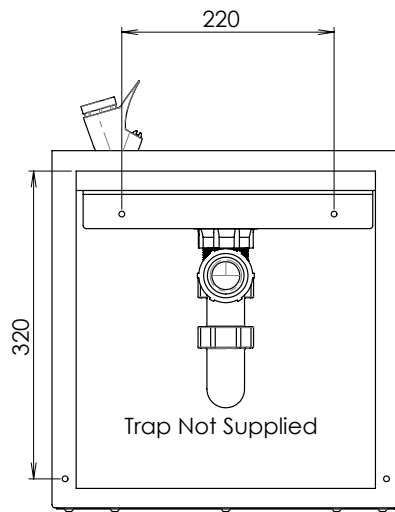

- **Watermark Certified** - Ensures compliance with Australian plumbing standards for safety and quality assurance
- **Drink Safe® Low Lead Bubbler** - Delivers safe, clean drinking water with minimal lead content.
- **Vandal Resistant Design** - Built to withstand heavy use and tampering, offering long-term cost savings in maintenance and replacements.
- **Concealed Access Panel** - Enhances security while maintaining discreet access for servicing and maintenance.
- **Suits a Variety of Public Settings** - Perfect for high-traffic areas like public amenities, schools, sporting clubs, bars, and service stations.
