

HBDA

The BRITEK Stainless Steel Accessible Hand Basin is a heavy-duty, vandal resistant fixture designed to meet AS1428 accessibility standards. Featuring a 7-litre bowl capacity and 40mm waste outlet, it is ideal for public amenities, schools, clubs, pavilions, and other high-traffic environments.

Features and Benefits

- **AS1428 Compliant** - Designed to meet Australian standards for accessible design in public spaces.
- **Seamless Construction** - Fully welded body with concealed plumbing, configured for P-trap installation.
- **Vandal Resistant Design** - Heavy-duty construction with a safety radius fascia, concealed 25mm reinforcement bar and secure access panel.
- **Tapware Options** - Compatible with a range of tapware styles to suit different project requirements.
