

HBFWR

The BRITEX Stainless Steel Round Floating Wand Basin is a compact, fully shrouded hands-free wash basin with an 8 litre bowl capacity. Tap is activated by leaning against the wand protruding from the basin shroud, eliminating the need for electronic or mains powered tapware.

Features and Benefits

- **Hands-free Activation** – Tap operates by leaning against the wand, reducing the risk of cross-contamination.
- **Grade 304 Stainless Steel** – Manufactured for strength and hygiene in commercial settings.
- **Wall-mounted Installation** – Includes 50mm rear blade upstand and concealed wall brackets.
- **Supplied Pre-plumbed** – Ready to install with goose neck spout and 40mm waste outlet.
