

HBFW

The BRITEX Stainless Steel Square Floating Wand Basin is designed for hygienic, hands-free use in commercial food handling environments. With a generous 11 litre bowl capacity and wand-activated tap, it eliminates the need for electrical connections, supporting safe and efficient operation.

Features and Benefits

- **Hands-free Activation** – Tap operates by leaning against the wand, reducing the risk of cross-contamination.
- **Grade 304 Stainless Steel** – Manufactured for strength and hygiene in commercial settings with chamfered corners for safety.
- **Wall-mounted Installation** – Includes 50mm rear blade upstand and concealed wall brackets.
- **Supplied Pre-plumbed** – Ready to install with goose neck spout, and 40mm waste outlet.
