

HBGU

The BRITEX Stainless Steel Grandeur Basin combines sleek design with prison-grade durability. Designed for maximum vandal resistance, it supports a range of tamper-proof tapware options.

Features and Benefits

- **Ligature Resistant, Radius-Edged Design:** Ensures user safety in high-risk environments like secure facilities and mental health settings.
- **Seamless Construction:** Eliminates joints and crevices to reduce the risk of damage, water ingress, and bacteria build-up.
- **Concealed Fixings & Plumbing:** Maintains a clean finish while limiting access for tampering and misuse.
- **Grade 304 Satin Stainless Steel:** Heavy-duty material offering durability and a sleek finish, suitable for high-traffic, demanding environments.
- **40mm Security Waste Outlet:** Ligature resistant design, helping deter self harm & vandalism.
