

HBMB

The BRITEX Stainless Steel Compact Hand Basin is a durable, space-efficient basin designed for high-use environments such as schools, public amenities, sporting clubs and commercial facilities. Its compact form and polished stainless steel construction make it a practical choice where reliability and hygiene are essential.

Features and Benefits

- **Compact 8 Litre Bowl Capacity** - Practical size for tight spaces without compromising usability.
- **Grade 304 Stainless Steel** - Manufactured from heavy-duty stainless steel for durability.
- **Supplied with 40mm Waste and Wall Brackets** - Allowing fast and straightforward installation.
- **Rounded Front Corners** - Designed to reduce impact risk and enhance user safety.
