

HBMKO

The BRITEX Stainless Steel Multi Knee Operated Hand Basin is a heavy-duty, wall-mounted unit designed for simultaneous, hands-free handwashing. Supplied pre-plumbed for fast installation, it is ideal for food preparation areas, processing, manufacturing facilities, and workshops.

Features and Benefits

- **Hands-free Activation** – Taps operate via front push panel with no electrical connection required, reducing the risk of cross-contamination.
- **Grade 304 Stainless Steel** – Designed for durability and hygiene in commercial use, complete with heavy-duty wall brackets.
- **Multiple Wash Stations** – Accommodates several users at once, with custom station quantities based on project requirements.
- **Supplied Pre-plumbed** – Ready to install with spouts, pressure limiting valve, and 40mm waste outlets.
