

HBMWP

The BRITECH Multi Wash Plane Basin is a premium, minimalist stainless steel solution designed for high-traffic commercial washrooms. Its seamless construction, concealed plumbing, and configurable multi-user layout deliver exceptional hygiene, durability, and modern architectural appeal.

Features and Benefits

- **Seamless, Joint-Free Surface** – Easy to clean and maintain, reducing bacterial traps.
- **Heavy-duty 304 Stainless Steel** – Built for long service life in demanding commercial environments.
- **Ideal for High-End Washrooms** – Suited for high-traffic washrooms including hotels, nightclubs, stadiums, airports.
- **Flexible Installation** – Suitable for joinery or wall-mounted applications, simplifying integration with project designs.
- **Supports Modern Tapware Options** – Ideal for wall-mounted touch-free and hands-free activation systems.
