

HBOM

The BRITEX Omega Wash Basin is a sleek, durable fixture crafted from Grade 304 stainless steel. Its deep bowl and integrated rear hob provide practical space for mixer tap installation, while concealed fixings and a satin finish deliver a refined, modern look suited to hotels, nightclubs and restaurants.

Features and Benefits

- **Designed for Hospitality Settings:** Robust stainless steel construction perfect for hotels, nightclubs, restaurants and commercial spaces.
- **Grade 304 Stainless Steel:** Designed for durability and hygiene in commercial use. Low-glare, easy-clean surface ideal for high-traffic environments.
- **Fully Welded Seamless Body:** Eliminates dirt traps, improves hygiene, and increases long-term structural durability.
- **Low-maintenance Design:** Smooth surfaces and seamless construction reduce cleaning time and support consistent hygiene standards.
- **40mm Waste Outlet Included:** Ensures straightforward installation and compatibility with common plumbing configurations.
