

HBRE

The BRITEX Stainless Steel Regal Basin is made from Grade 304 satin-finish stainless steel and is suitable for domestic or commercial benchtop installations. It includes fixing clips, a rear hob with a 35mm tap hole, and is supplied with a 40mm waste outlet for straightforward installation.

Features and Benefits

- **Flush Mount Installation:** Creates a clean, seamless finish that reduces dirt traps and improves hygiene in high-use areas.
- **Grade 304 Stainless Steel:** Offers long-term durability and easy maintenance, ideal for commercial environments.
- **Supplied with Fixing Clips:** Allows secure and stable mounting, ensuring the basin remains firmly positioned over long-term use.
- **Domestic and Commercial Suitability:** Designed to perform reliably across a wide range of environments, from residential bathrooms to high traffic public facilities.
