

HBVI

The BRITEX Stainless Steel Vanity Inset Hand Basin is a compact, versatile fixture designed to suit a wide range of benchtop installations. Manufactured from Grade 304 stainless steel, it is supplied with a 40mm waste outlet and can be paired with multiple tapware configurations, making it ideal for commercial amenities.

Features and Benefits

- **Flush Mount Installation:** Creates a clean, seamless finish that reduces dirt traps and improves hygiene in high-use areas.
- **Grade 304 Stainless Steel:** Offers long-term durability and easy maintenance, ideal for commercial environments.
- **Tap Hole Flexibility:** Available with 1, 2 or 3 tap holes to suit varied installation and tapware requirements.
- **Flush Mounts Into Bench Top:** A flush-mount design creates a smooth, seamless edge that reduces grime build-up.
