

LSPW

The BRITEX Stainless Steel 50mm Waste Outlet is fabricated from acid-resistant grade 316 stainless steel and is designed to complement laboratory sinks, troughs and bowls.

Features and Benefits

- **Complete Waste Kit** – Supplied with removable grate, stainless steel stopper with ring pull, rubber gaskets, and stainless steel backnut.
- **WaterMark Certified** – Meets Australian Standards for plumbing products.
- **Grade 316 Stainless Steel** – Resistant to acids and corrosive substances, ideal for harsh environments.
- **Ideal for Laboratory Sinks** – Suited to lab sink installations where durability and chemical resistance are essential.
