

LSSCB-S12

The BRITEX Stainless Steel Single Centre Bowl Universal Lab Sink is crafted from grade 316 acid-resistant stainless steel, offering long-lasting durability. Designed for easy installation, it features a corrugated drainer with optional tap holes and waste fittings to accommodate different installation requirements.

Features and Benefits

- **Universal Configuration** - 70mm side hobs allow seamless integration into benchtops and accommodate tapware with optional tap holes.
- **Grade 316 Stainless Steel** - Manufactured from 1.2mm acid-resistant stainless steel, ideal for harsh lab environments.
- **Integrated Bowl & Dual Drainers** - Single bowl with radiused corners for easy cleaning, paired with double corrugated drainers for efficient water drainage.
- **Ideal for Science Classrooms & Laboratory Use** - Durable, easy to clean, and compatible with standard lab fixtures.
