

LSSEB-S09

The BRITEX Stainless Steel Single End Bowl Universal Lab Sink features 70mm hobs on both sides of the bowl, allowing for either left and right-hand applications. It comes with a corrugated drainer and optional tap holes and waste fittings to accommodate different installation layouts.

Features and Benefits

- **Universal Configuration** – 70mm hobs on both sides support installation in left or right-hand applications, offering flexibility.
- **Grade 316 Stainless Steel** - Made from 1.2mm acid-resistant stainless steel, ideal for harsh lab environments.
- **Tapware Options** – Can be supplied with tap holes to suit a range of laboratory tapware styles
- **Ideal for Science Classrooms & Laboratory Use** - Durable, easy to clean, and compatible with standard lab fixtures.
