

LSTEB-S15

The BRITEX Stainless Steel Twin End Bowl Universal Lab Sink is a durable inset unit featuring 70mm hobs on both sides, allowing flexible installation in left or right-hand configurations. Its robust build and design makes it ideal for science classrooms and laboratory environments.

Features and Benefits

- **Universal Configuration** – 70mm hobs on both sides allows for installation in left or right-hand applications.
- **High-Capacity Twin Bowls** – Generous workspace with twin bowls, spaced corrugated drainer, radiused corners for easy cleaning, and 50mm centre waste.
- **Grade 316 Stainless Steel** – Manufactured from 1.2mm acid-resistant stainless steel, suitable for harsh lab environments.
- **Tapware Compatibility** – Optional tap holes available to suit a range of laboratory tapware styles.
