

LSTEB-S18

The BRITEX Stainless Steel Twin End Bowl Universal Lab Sink is a durable inset unit designed for flexible installation, featuring 70mm hobs on both sides to suit left or right-hand configurations. Built to last, it is suitable for science classrooms and laboratory environments.

Features and Benefits

- **Universal Configuration** – 70mm hobs on both sides support installation in left or right-hand applications, offering flexibility.
- **High-Capacity Twin Bowls** – Twin bowls with a corrugated drainer, radiused corners, and 50mm centre waste provide generous workspace and easy cleaning.
- **Grade 316 Stainless Steel** - Made from 1.2mm acid-resistant stainless steel, suitable for harsh lab environments.
- **Tapware Compatibility** – Optional tap holes available to suit various laboratory tapware configurations.
