

SPB

The BRITEX Security Pedestal Basin is a compact, vandal resistant fixture ideal for high-security and high-traffic environments such as holding cells, public toilets and train stations. Floor-trapped and fully shrouded, it offers flexible installation with optional toilet roll holders, tapware and taphole variations, and security waste outlet.

Features and Benefits

- **Vandal Resistant Design:** Full floor-length shroud and concealed plumbing protect against tampering, supports P or S trap installation.
- **Grade 304 Stainless Steel:** Made from durable stainless steel for long-lasting performance in tough environments.
- **6 Litre Bowl Capacity:** Compact, space-saving design suited for small rooms without compromising functionality.
- **Secure Fixing Points:** Mounts at the rear or front of the basin and at the base for maximum stability.
