

TP9P11-TW-9101

Most common configuration illustrated

The BRITEX Stainless Steel Outdoor Learning Trough is built to meet education department standards for Covered Outdoor Learning Areas (COLA). Can be supplied pre-plumbed with WaterMark and WELS certified taps.

Features and Benefits

- **Standard 1100mm Length** - Suitable for most COLA installations
- **Lockable Lid** - Protects tapware outside of school hours or when not in use
- **Radius External Corners** - For added safety in educational spaces
- **NSW DOC Standards** - Conforms to education standards with approved pre-plumbed tapware available
- **Robust SHS S.S Support Frame** - Provides a strong and stable free-standing base with adjustable feet
