The BRITEX Vandal Resistant Push Button Pillar Tap – Hot is a robust, water-efficient tap designed for public amenities, schools and commercial facilities. Its clean, hygienic form, vandal-resistant construction and bright chrome finish support long-term durability, easy operation and low maintenance.

Features and Benefits

- **Vandal Resistant Push Button Design** – Robust, tamper-resistant operation suited to demanding public environments.
- **Water-Saving Self-Closing Operation** – Timed shut-off ensures controlled water use and prevents taps being left running.
- **Lead Free Brass** – Constructed from DR Brass, offering strength, corrosion resistance and long service life.
- **Manufactured in Australia** – Locally made, with readily available parts to minimise repair delays.

Sample Spec

Britex Hob Mounted Vandal Resistant Push Button Pillar Tap Warm Only - Product Code TW-0033

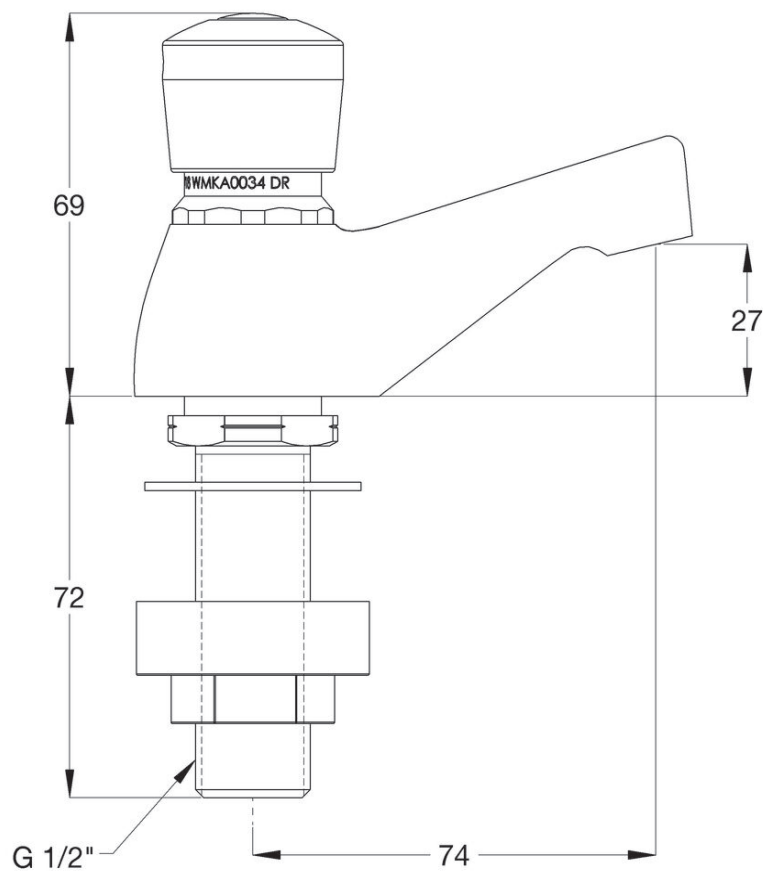

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
