The BRITEX Eco Timed Flow Wash Safe™ Push Button Pillar is a highly durable, self-closing time-flow tapware solution manufactured from lead-free brass. Designed for compatibility with BRITEX troughs, basins and sinks, it provides a reliable, low-maintenance option for public spaces and education facilities.

Features and Benefits

- **Vandal Resistant Push Button** - Built to withstand tampering and impact in high-traffic school and public environments.
- **Operates at Full Mains Pressure** - Ensures consistent, reliable flow without the need for pressure-reducing devices.
- **NSW Education EFSG Compliant** - Meets required standards outlined in NSW education guidelines.
- **Chrome Plated Finish** - Heavy-duty, durable, easy to clean surface and maintains a polished appearance.
