

TW-9106

Introducing the BRITEX Front Lever Timed Flow Bib Tap is a durable, lever-operated timed-flow tap designed for effortless activation in schools, childcare centres and other high-use washroom environments.

Features and Benefits

- **Multi-directional Lever** - Provides installation flexibility and improved accessibility for various applications.
- **Timed-flow with Automatic Shut Off** - Prevents taps from being left running, ensuring consistent water control and reduced wastage.
- **WaterMark Certified** - Ensures compliance with Australian standards for safety, quality and performance.
- **Robust Construction** - Withstands heavy daily use, reducing maintenance and extending service life.
