The BRITEX Timed Flow Wash Safe™ Pillar Lever Tap is a durable, self-closing tap designed for use with BRITEX hand basins and troughs. Its timed-flow lever operation makes it well suited to accessible hand-wash areas and early-learning environments, providing a reliable and easy-to-use solution for public and education facilities.

Features and Benefits

- **Vandal Resistant Lever Handle** – Built to withstand tampering and impact in high-traffic school and public environments.
- **AS 1428.1 Compliant** – Supports accessible use when installed in accordance with required guidelines.
- **NSW Education EFSG Compliant** - Meets required standards outlined in NSW education guidelines.
- **Chrome Plated Finish** - Heavy-duty, durable, easy to clean surface and maintains a polished appearance.
