

TW-9201

The BRITEX Timed Flow Tap delivers dependable, long-lasting performance for modern commercial washrooms, combining durable construction with excellent water saving efficiency. Designed for high-use environments, it provides a stylish, reliable solution that supports both sustainability and user convenience.

Features and Benefits

- **Designed for Substantial Water Savings** - Helps reduce overall water consumption in commercial washrooms, lowering operating costs and supporting sustainability goals.
- **Automatic Shut Off (7.5 3 2.5 sec)** - Prevents taps from being left running, ensuring consistent water control and minimising wastage.
- **Adjustable Flow Time** - Allows maintenance personnel to fine-tune performance to suit specific facility requirements.
- **Lead-free DZR Brass Construction** - Delivers long-lasting durability, excellent water efficiency (5.0 L/min), and compliance with AS 3718 WaterMark standards.
