

TW-9205

Introducing the BRITEX Deluxe Timed Flow Mixer Tap provides reliable timed-flow operation while allowing users to easily adjust water temperature for personalised comfort. Designed for modern commercial washrooms, it delivers durability, efficiency and user-friendly performance.

Features and Benefits

- **Adjustable Temperature Mixing** - Allows users to set their preferred water temperature, improving comfort and accessibility.
- **Timed-flow Operation** - Ensures controlled water use and prevents taps from being left running, supporting strong water-saving performance.
- **User-friendly Lever Activation** - Provides smooth, easy operation suitable for a wide range of commercial washroom users.
- **Durable Construction** - Delivers long-lasting reliability in high-traffic environments, reducing maintenance and lifecycle costs.

Sample Spec

Britex Deluxe Timed Flow Mixer Tap - Product Code: TW-9205
