TW-BF-L90

The BRITEX 90° Lever Action Bottle Filler is designed to pair seamlessly with BRITEX drinking fountains and troughs. Built from high-quality brass with a durable chrome finish, it provides a robust, water-conserving solution ideal for education, hospitality and public applications.

Features and Benefits

- **Self-closing Mechanism** - Easy to operate, shuts off after use to help minimise water wastage.
- **Adjustable Flow Control** - Allows the height of the drinking water stream to be set according to the site conditions.
- **Lead-Free Brass** - Manufactured from high-quality brass for safer drinking water and long-term durability.
- **Australian Made** - Locally manufactured with readily available spare parts to reduce maintenance downtime.

Sample Spec

90° Drink Safe® Lever Action Bottle Filler Wall Mounted - Product Code: TW-BF-L90

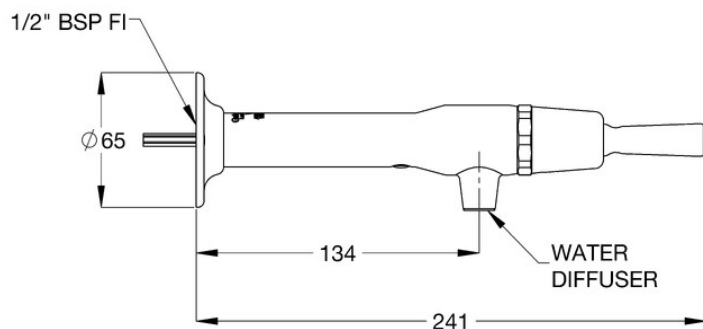

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
