

TW-BF-WE

The BRITEX Bottle Filler Wall Mounted is a compact, bottle filling solution designed to pair seamlessly with Britex Drinking Fountains. Its space-saving form makes it ideal for slimline troughs and public environments, while push-button activation and a self-closing mechanism help prevent water wastage in education and high-use areas.

Features and Benefits

- **Vandal Resistant Construction** - Push button can only be removed with a hand tool, and the built to withstand public use.
- **Self-Closing Push Button** - Easy to use and designed to shut off automatically, helping minimise water wastage.
- **Space-Saving Design** - Suitable for slimline troughs and bottle filling stations where wall space is limited.
- **Lead Free Brass** - Chrome-plated, lead-free brass provides long-lasting durability in demanding environments.

Sample Spec

Bottle Filler Wall Mounted - Product Code: TW-BF-WE

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.

Technical Information: Bottle Filler Wall Mounted

Nominal Flow Rate (LPM): 5.0

WaterMark: AS 3718 Lic. WMKA1583

Inlet: 1/2" BSP (15mm)

Valve Type: Spring Action

Max. Recommended Pressure (kPa): 50 Min - 500 Max

Max. Static Pressure (kPa): 1200

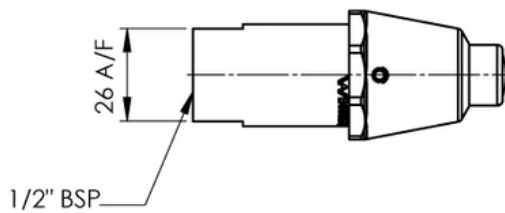

Recommended Temperature (°C): 5 Min - 30 Max

Max. Working Temperature (°C): 50

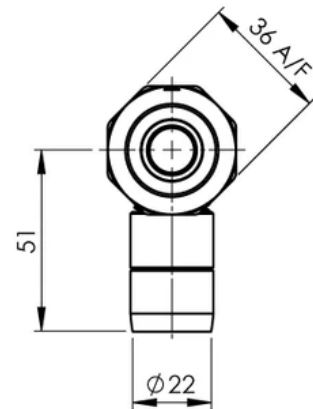

Construction: Lead Free DZR Brass

Finish: Chrome
