TW-DC90M

The BRITEX 90° Chrome Cam Action Bubbler is a wall-mounted, self-closing bubbler designed for use above basins or in multiples along drinking troughs. Its fixed metal mouth guard minimises contact with the water outlet, while the adjustable flow control allows the water stream height to be set to suit site conditions.

Features and Benefits

- **Vandal Resistant Design** – Durable construction with secure wall-mounting points for stable, long-term installation.
- **Adjustable Flow Regulator** - Allows precise control of the water stream height to suit varying installation conditions.
- **Lead-Free Brass** – Manufactured from high-quality brass for safer drinking water and long-term durability.
- **Self-closing Mechanism** - Shuts off after use to reduce water waste and support reliable operation in busy areas.
