TW-DC90R

The BRITEX 90° Drinking Bubbler with Cam Action is designed for effortless operation by all ages, with a soft, bright-blue rubber mouthguard that protects teeth and maintains long-lasting hygiene. Its robust chrome-plated body and reliable valve design makes it ideal for long-term use in demanding public or school settings.

Features and Benefits

- **Vandal Resistant Cam Action Handle** - Easy-grip school-pattern handle designed to deter tampering and misuse.
- **Antibacterial Rubber Mouthguard** - Soft and UV-stabilised mouthguard to protect teeth and maintain hygiene.
- **Lead-Free Brass** - Manufactured from high-quality brass for safer drinking water and long-term durability.
- **Self-closing Mechanism** - Unique, easily activated self-closing action that remains easy to use regardless of water pressure.
