TW-DL45

The BRITEX 45° Chrome Lever Action Bubbler is a wall-mounted, self-closing drinking bubbler designed for use above basins or in lines along drinking troughs. Its fixed metal mouth guard reduces unnecessary contact with the outlet, and lead-free brass construction makes it ideal for schoolyards, playgrounds and public installations.

Features and Benefits

- **Vandal Resistant Handle** - Built to withstand tampering and impact in demanding school and public settings.
- **Adjustable Flow Control** - Allows the height of the drinking water stream to be set according to the site conditions.
- **NSW Education ESFG Compliant** - Meets required standards outlined in NSW education guidelines.
- **Chrome Plated Finish** - High quality chrome finish for easy cleaning, added durability and hygiene maintenance.

Sample Spec

45° Chrome Plated Drinking Bubbler Lever Action - Product Code: TW-DL45

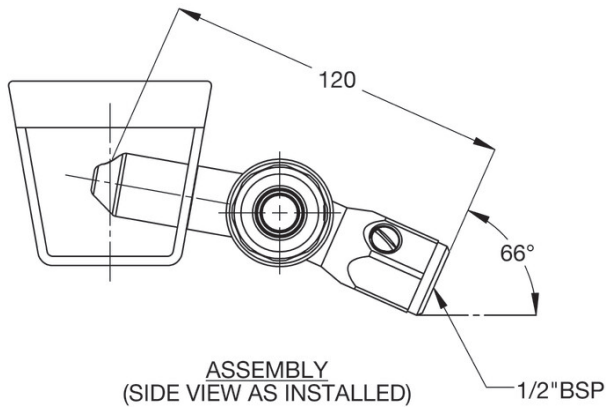

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
