TW-DP45

The BRITEX 45° Chrome Push Button Bubbler is a wall-mounted, self-closing drinking bubbler designed for use above basins or in rows along drinking troughs. Its fixed metal mouth guard reduces unnecessary contact with the outlet, and durable brass construction makes it ideal for schoolyards, playgrounds and public installations.

Features and Benefits

- **Vandal Resistant Handle** - Built to withstand tampering and impact in demanding school and public settings.
- **Adjustable Flow Control** - Allows the height of the drinking water stream to be set according to the site conditions.
- **Lead-Free Brass** - Manufactured from high-quality brass for safer drinking water long-term durability.
- **Chrome Plated Finish** - High quality chrome finish for easy cleaning, added durability and hygiene maintenance.

Sample Spec

45° Chrome Plated Drinking Bubbler Push Button - Product Code: TW-DP45

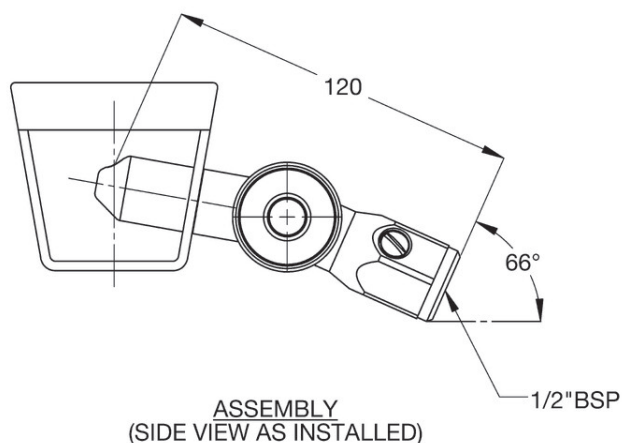

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
