TW-DV-LL

The BRITEX Vertical Drink Safe™ Lever Action Drink Tap is a robust bubbler designed for consistent water flow and durability in public areas, playgrounds, schoolyards and drinking troughs. Its self-closing mechanism and vandal-resistant design make it ideal for high-use environments and supports water-efficient operation.

Features and Benefits

- **Vandal Resistant Handle** - Built to withstand tampering and impact in demanding school and public settings.
- **Lead-Free Brass** - Manufactured from high-quality brass for safer drinking water long-term durability.
- **Rubber Mouthguard** - AS 4020 approved, protects teeth and resists fungal, bacterial and UV damage ensuring longevity.
- **Chrome Plated Finish** - High quality chrome finish for easy cleaning, added durability and hygiene maintenance.

Sample Spec
