

TW-MIX-02

The BRITEX Hob Mounted Mixer Tap with Swivel Spout is designed to complement BRITEX stainless steel basins, sinks and troughs. Built for commercial use, it features a durable chrome-plated finish and is certified to both WELS and WaterMark standards, making it well suited to public amenities and education projects.

Features and Benefits

- **Vandal Resistant Design** – Robust construction supports long-term performance in high-use environments.
- **Heavy-duty Chrome Plated Finish** - Bright chrome-plated surface provides durability, easy cleaning and long-lasting appearance.
- **Versatile Application** - Suitable for a wide range of projects and different installation needs.
- **WELS & WaterMark Certified** – Meets Australian plumbing compliance standards while ensuring efficient water use and reduced consumption.
