

TW-MIX-22

The BRITEX Lever Activated Shower Mixer is designed for hospitals, public accessible bathrooms and other high-use environments, providing reliable operation and easy access through its extended 165mm chrome-plated lever handle.

Features and Benefits

- **Commercial Grade Design** - Bright chrome plate finish, lugged fixing points and a 170mm round face plate for durable, long-term performance.
- **Flexible Installation** - Concealed o-ring body with 20mm adjustable depth for easy, secure mounting across different settings.
- **Accessible Lever Operation** - 165mm extended lever for easy activation in public and healthcare settings.
- **Accessibility Compliant** - Meets AS 1428.1 accessibility requirements when installed in accordance with the standard.
