

TW-MT-50FC1

The BRITEX Basin Mounted Surgical Set is designed for healthcare environments, offering durable, hygienic tapware with ergonomic, hands-free operation. Its fully enclosed design supports long-term performance and helps minimise infection risks, making it suitable for hospitals, aged care facilities and medical centres.

Features and Benefits

- **Optimised Infection Control** - Fully enclosed componentry and laminar flow nozzle help reduce contamination risks in clinical settings.
- **Commercial Grade Build** - Heavy-duty chrome-plated finish and a robust build designed for high use facilities.
- **Hands-free Ergonomic Operation** - Low-profile handles designed for elbow, forearm or wrist activation to support hygiene.
- **Easy Maintenance** - Patented inlet isolation valves with removable bucket filters enable quick cleaning and servicing.

Sample Spec

Basin Mounted Surgical Set - Fixed/Ceramic - Product Code: TW-MT-50FC1

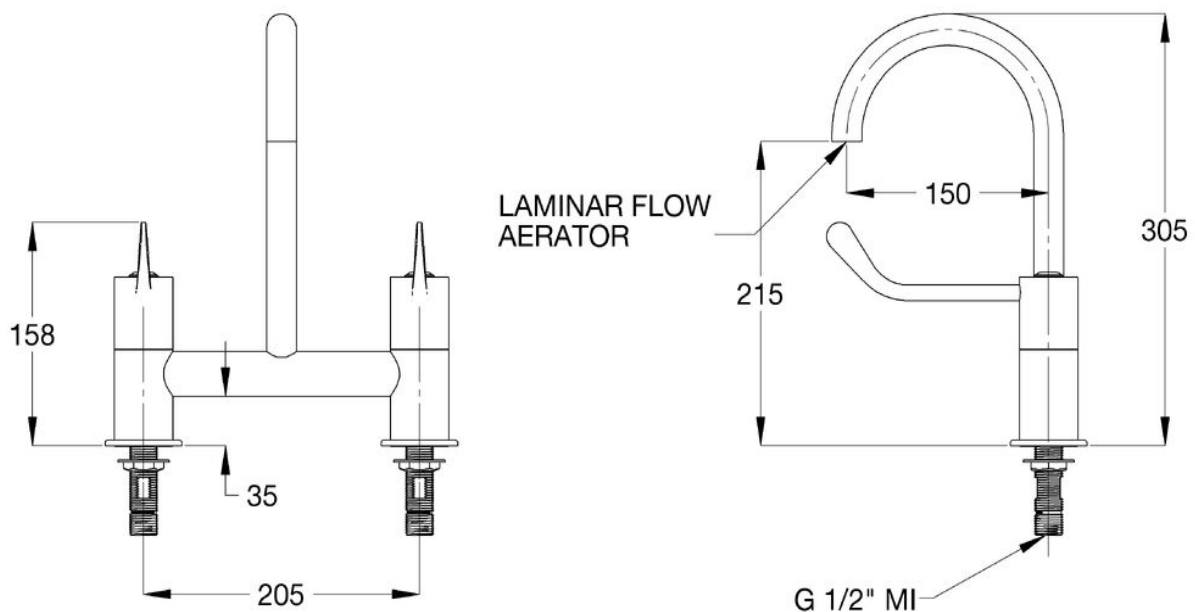

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.

Technical Information: Basin Mounted Surgical Set - Fixed/Ceramic

WELS: 5 Star Rating (5.5L/min)
Nominal Flow Rate (LPM): 5.27
WaterMark: AS 3718 Lic. WMKA0034
Inlet: 1/2" BSP - Male
Outlet: Laminar Flow

Headwork: Ceramic Disc
Working Pressure Range (kPa): 50 Min - 500 Max
Maximum Working Temperature (°C): 5 Min - 65 Max
Construction: Lead Free DZR Brass
Finish: Chrome
