TW-MT-51FJ1

The BRITEX Wall Mounted Surgical Set is designed for healthcare environments, offering durable, hygienic tapware with ergonomic, hands-free operation. It delivers long-term performance and helps minimise infection risks - suitable for hospitals, aged care facilities and medical centres.

Features and Benefits

- **Hygiene Focused Design** - Fully enclosed componentry and laminar flow nozzle help minimise contamination risks in clinical settings.
- **Commercial Grade Build** - Heavy-duty chrome-plated finish and a robust build designed for high use facilities.
- **Hands-free Ergonomic Operation** - Low-profile handles designed for elbow, forearm or wrist activation to support hygiene.
- **Easy Maintenance** - Patented inlet isolation valves with removable bucket filters allow quick cleaning and servicing.

Sample Spec

Britex Wall Mounted Surgical Set with Jumper Valve and Fixed Gooseneck Spout - Product Code TW-MT-51FJ1

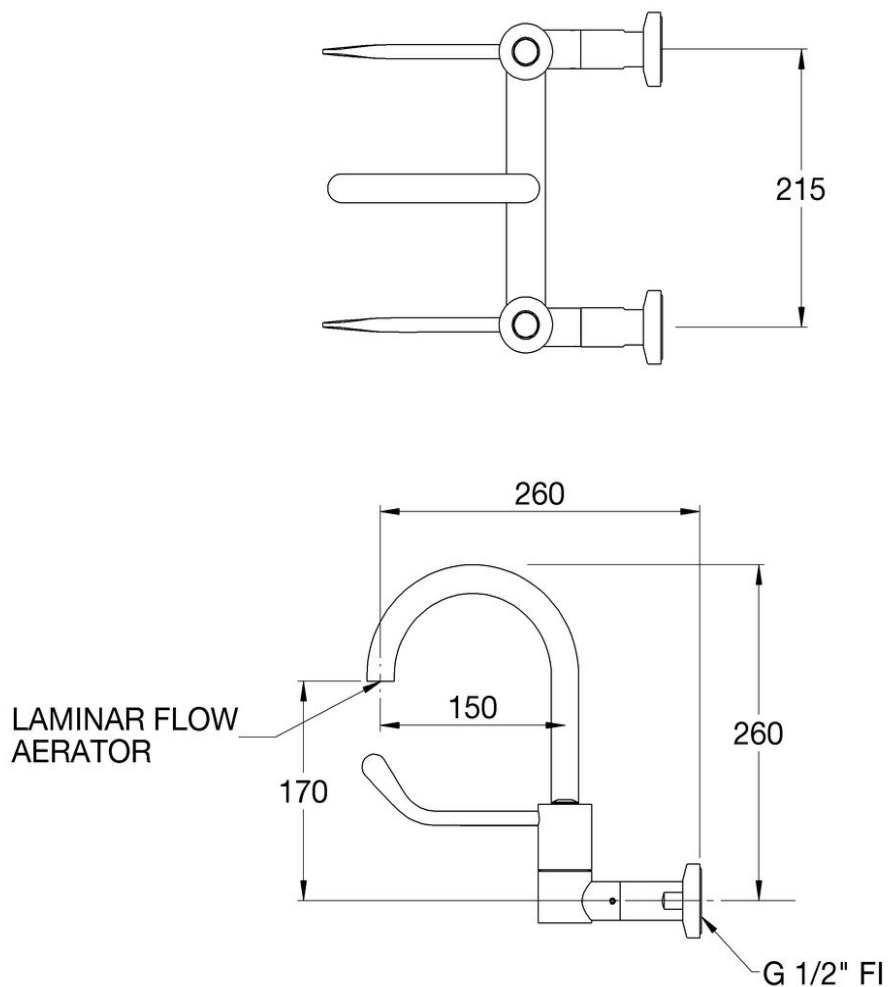

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
