

TW-PR-HM

The BRITEX Hob Mounted Dual Pre Rinse Spray provides powerful rinsing capability for commercial kitchens, combining a high-pressure trigger spray with hot and cold water control. Designed for durability and ease of use, it supports rapid cleaning, making it ideal for food service, hospitality and industrial wash-up areas.

Features and Benefits

- **Commercial Grade Design** - Built with chrome-plated brass, stainless steel and lead safe materials for safe, long-lasting use across commercial applications.
- **Chrome-plated Support Spring** - Ensures the hose pulls down easily into spraying position and returned when released.
- **Precise Water Control** - Dual mixer with contra-rotating lever handles and 1/4-turn brass spindles and jumper valves for hot, cold or mixed water.
- **Space-Efficient Upright Design** - Compact riser pipe and spray head saves space and enables easy installation.

Sample Spec

Britex Hob Mounted Dual Mixer Unit Pre Rinse Spray - Product Code TW-PR-HM

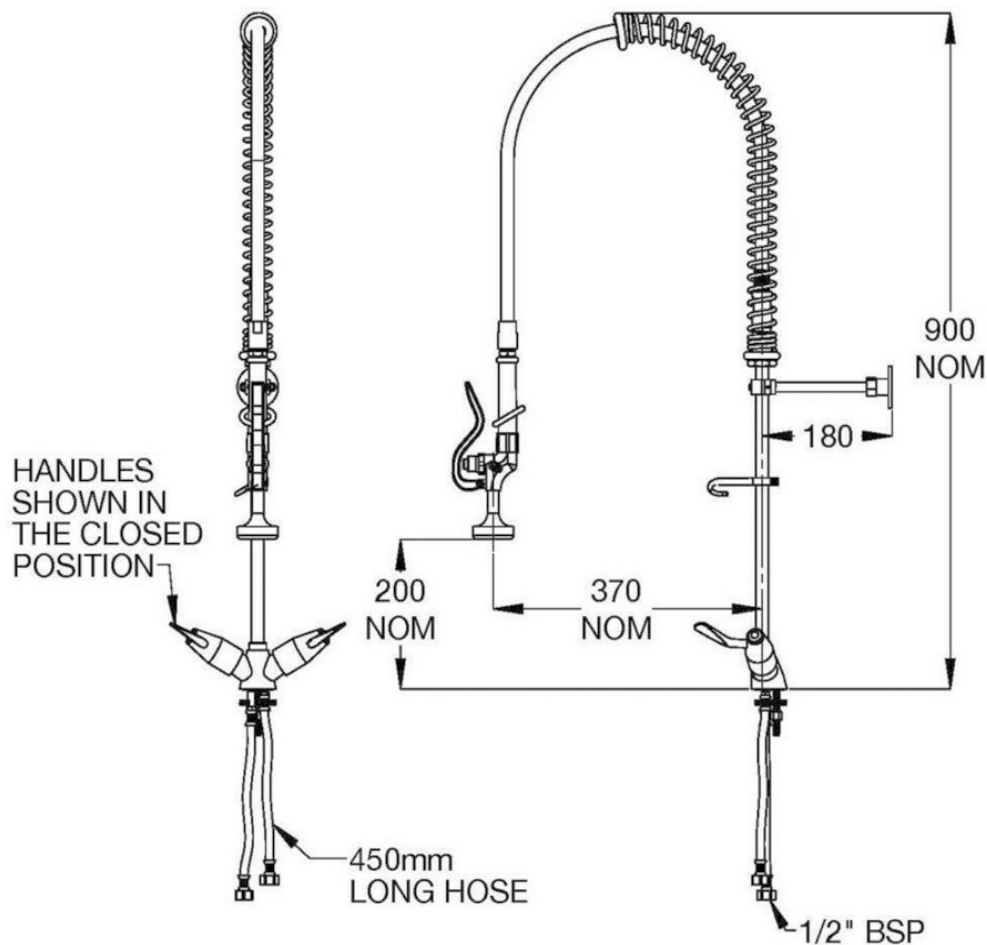

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
