

TW-PR-WM

BRITEX Pre-Rinse Sprays are designed to complement our Stainless Steel Sinks, Benches, Basins, and Troughs. These sprays are robust in design, built to last, and feature high-quality chrome-plated construction for dependable performance in demanding environments.

Features and Benefits

- **Lead Free DZR Brass Construction** - Reduces contamination risks, ensuring safer water delivery in commercial kitchen settings.
- **High-Pressure 1000mm Hose** - Flexible hose with swivel ends for extended reach and manoeuvrability.
- **¼ Turn Hot & Cold Control Taps** - Jumper valve taps with 100 mm levers for smooth, easy temperature control.
- **Trigger Hand Spray** - Provides controlled, efficient rinsing for commercial cleaning tasks.
