

TW-SEC-05

The BRITEX Vandal Resistant Security Shower Set is designed for high-risk environments such as correctional facilities, police stations, detention centres and amenities prone to vandalism or potential self-harm. Its low-profile, ligature-resistant form and heavy-duty construction provide maximum durability and safety, while complementing BRITEX stainless steel security fixtures.

Features and Benefits

- **Ligature Resistant Design** – Low-profile form and radius edges minimise leverage points to reduce self-harm risks.
- **Lead Free Brass Construction** – Manufactured from lead-free DZR brass with a high-quality chrome surface for durability and easy cleaning.
- **Vandal Resistant Build** – Built for durability, with anti-rotation pins and concealed fixings to prevent tampering.
- **Australian Made** – Locally made with readily available support and spare parts to help minimise downtime.

Sample Spec

Britex Vandal Resistant Security Shower Set - Product Code TW-SEC-05

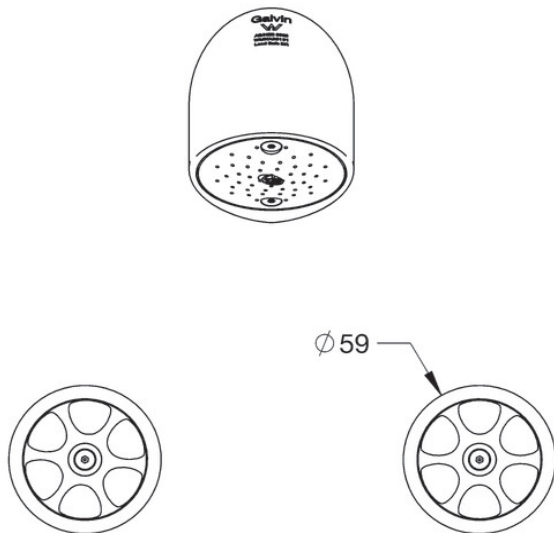

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
